

Join us for a  
**community meeting**

to share your ideas on how  
new community health funds  
might be spent

*These are some of the top health and social issues  
identified by Boston residents:*

housing

violence

mental  
health

jobs &  
financial  
security

substance  
use

education

*Do you agree? Does your community face these  
challenges? What helps?*

**We want to hear from you!**
